About the Institute

The GCET is approved by AICTE, Ministry of HRD, and Government of India and affiliated to Dr. APJ Abdul Kalam Technical University, Lucknow (U.P.). The Institution offers 9 Under Graduate Programme in Regular and 5 PG Programme in Full Time. The Campus is located on 8-lane expressway connecting Greater Noida with New Delhi and is surrounded by a green landscape and lush environment.

Department of Applied Sciences

The Department of Applied Sciences is a harbour between fundamental Science and Engineering that combines the knowledge of pure science with engineering practices. The department has been established to inculcate and promote an inquisitive thinking towards science and its applicability in various interdisciplinary subjects amongst young minds of today and tomorrow.

The devoted faculty members are core strength of the department providing value education to the students through improved method of teaching. Department imparts excellent quality education in the area of Mathematics, Physics and Chemistry. The department has well equipped laboratories with sufficient instruments to provide practical training to the students in the field of Physics and Chemistry. All academic programs emphasize the integration of theoretical knowledge with practical applications.

About the Conference

The ICIAS-2021 conference is an international forum which aims to bring together leading academicians, researchers from industry and research scholars to exchange and share their experiences and scientific advancements based on their research related to Science and Technology.
